Take a Sunshine Tablet For Thy Stomach's Sake

There never was such a marvelous prescription for stomach distress and indigestion as Mi-o-na.

No doctor ever wrote a better one; it's doubtful if any doctor ever will. It's so good that The Lee & Osgood Co, says money back if it doesn't cure.

Co. says money back if it doesn't cure.

A woman in Maine calls Mi-o-na the sunshine prescription because she has seen so many sour, miserable, aggravating dyspeptics turned into happy, cheerful, sweet human beings in a few days by taking Mi-o-na.

The stomach is responsible for three-fourths of the nervousness and half the misery of the world. A woman can have a first-class stomach and yet be miserable if she has a husband who is a nervous dyspeptic.

If you have indigestion, belching of gas, heaviness after eating, drowsy sensation after eating, sour stomach or any miserable stomach disturbance the prescription called Mi-o-na will put you right, and bring sunshine into your life in a week.

A large box of Mi-o-na tablets cost only 50 cents at The Lee & Osgood Co, and by leading druggists everywhere. They are small and easy to swallow.
